Naomi admits she is really horny and can't wait to get this fuck-and-photo session underway. She says her pussy hasn't been fucked in two weeks and her ass hasn't seen cock in over a month, but her mouth has sucked some cock. That wasn't enough for her, so we set up this sizzling threeway that is as hot and dick-hardening as these photos. Now, that's what a girl can do!

Mom knew that I was a professional writer, but she had no idea about the nature of my work. Swank, Gallery, Club, Finally Legal, Cheri, Fox, Lollypops – I wrote for all of these and more.

"Did we get anything?" asked my mother.

"Nothing today," I replied, raising my voice so she could hear me in the living room where she sat watching her favorite daytime soap opera.

Guilty of a white lie, I closed the kitchen door and went straight to my bedroom.

I didn't feel all that bad about fibbing to my mother. The less she knew about my freelance writing work, the better. She wouldn't have been thrilled to know that I was penning stories for dirty magazines. And she certainly wouldn't have liked the idea of my complimentary contributor copies coming to the

worked at a used bookstore in addition to my freelance gig writing for a publisher of various stroke mags. Swank, Gallery, Club, Finally Legal, Cheri, Fox, Lollypops—I wrote for all of these and more. Mom knew that I was a professional writer, but she had no idea about the nature of my work. She wasn't a prude, not in the least. Still, I didn't want her to know about this aspect of my life, didn't want to cause her undue strife and strain.

Now I sat at my desk and looked through the latest bundle. The publisher had sent me five magazines. It was nice to see my work professionally edited and formatted in a glossy magazine with wide circulation. I had written for twenty years before earning a single red cent for my efforts. I was nothing if not persistent.

And more than a little concerned when I saw

that one of the magazines had been tampered with!

Somebody had torn the plastic wrapper of Lollypops #70, ripping it to get at the magazine within. Who could have done such a thing? The mailman, I thought. Who else? Well, at least he hadn't stolen the thing. Then again, maybe that would have been better. In my mind's eye I saw that fat slob sitting in his jeep and jacking off to the magazine in my hand. Frowning, I flipped the pages looking for cum, hoping that I wouldn't come across any sticky pages. Thankfully, I didn't.

But I was still upset. Mail tampering was a federal offense; that a postal worker had committed the crime made it even worse. I was pissed, so much so that I decided to go looking for that sonofabitch. With any luck he would still be in the neighborhood.

I told my mother that I had to run a quick errand, then hopped on my bike and took off. My 26-inch BMX cruiser gobbled the pavement as

house. I could hear her now.

"What if the mail carrier were to accidentally put them in our neighbor's box!? Poor Irene Bishop would drop dead of a heart attack!"

Like my mother, our neighbor was an aging widow with significant mobility issues. A home health nurse came to Miss Bishop's house three days a week. Mom wasn't that bad off; not yet, anyway. I could take care of her just fine. This might change, of course, but for now

she seemed to be doing okay for an eighty-year-old.

I had moved home to help her at the beginning of the year. Now I

I combed the streets. Head on a swivel, legs pumping, I worked my way through the suburban labyrinth until I found the fucker.

I spotted his jeep parked behind a shabby strip mall consisting of a convenience store and coin-op washeteria. Lunch break, I thought, expecting to find him slumped behind the wheel stuffing his face; or maybe he had already finished and was breaking the rules by smoking a cigarette in a government vehicle.

I approached from the rear, rolling up silently before putting on the brakes and jumping off my bike, which I leaned against a dumpster. Magazine in hand, I hastened to the jeep's driver's side.

And stopped dead in my tracks.

It took a moment for me to fully grasp the scene, a paralyzing moment in which I forgot all about the magazine in my hand. The fat slob, a cigarette jutting from his mouth, sat behind the wheel. But he wasn't alone. A head bobbed in his lap. The sonofabitch was getting a blowjob on the clock!

I watched the sordid tableau over his shoulder, staying out of sight as he grunted and puffed furiously on his cigarette. The head in his lap moved faster and faster; this to the accompaniment of raunchy slurping sounds. I'll admit I was jealous. And more than a little curious. Who in the hell was this chick?

I found out soon enough. The mailman tensed noticeably, tensed and stilled her head with both hands as he nudded in her mouth. Moments later, she surfaced and wiped her lips with the back of her hand. Getting a good look at her face, I could hardly believe my eyes. I knew this person. Hell, I had even talked to her on several occasions. It was Candy, Miss Bishop's home health nurse!

What in the world had possessed her to gobble the mailman's schlong? She was young and hot, a thin brunette with sizable tits. As for the mailman—well, in addition to

being twice her age he was a squat roly-poly of a scuzzball with an oily combover. The world was certainly a strange place, strange and most unfair.

Still intent on confronting the mailman about my magazine, yet adverse to an uncomfortable interaction with Candy, I grabbed my bike and walked it around to the front of the store. I went inside, bought a cold drink, then loitered in the parking lot. Had Candy ridden here in the postal jeep? I didn't see her car anywhere.

Turns out she had walked. Chugging the last of my soda, I

"I don't appreciate you opening my mail."

Recognition dawned on his face. "You got it all wrong. I ain't the one you need to be talking to."

"Save the bullshit."

"I'm telling you the truth, man. It wasn't me. It was your neighbor. Well, your neighbor's nurse."

"I don't believe you."

And I didn't. Not one damned bit. Until he related the whole story . . .

Catching Candy with her hand in my mailbox, he had watched from his jeep parked a few houses down, watched as she removed

watched her cross the street with purposeful strides and head in the direction of Miss Bishop's house. I rushed behind the building just as the mailman cranked his jeep.

"Not so fast," I told him, tossing my empty soda can in the dumpster.

He gaped at me through the open window as I confronted him with the incriminating magazine.

"Look familiar?" I said.

He seemed confused.

the plastic wrapper and gave the contents of Lollypops #70 a look-see before returning it to its rightful place.

"I drove over as fast as I could and gave her a stern warning," the mailman told me.

"And then what happened?" I asked him.

The rest of his story would have been farfetched if I hadn't seen its conclusion with my own two eyes. The magazine had turned Candy

on in a big way, making her hornier than ever, so horny, in fact, that she interrupted the mailman in the middle of his stern lecture and offered to suck his dick. Of course, hers was an offer he couldn't refuse.

"She got in my jeep, and I drove us up here to do the deed. Behind this joint seemed as good a place as any. You know the rest . . ."

"Why didn't you give her a ride back to Miss Bishop's?" I asked him.

"I offered. She turned me down, said she felt like walking."

I searched his fat face. "How

Dismounting my bike, I climbed the porch steps and waved the magazine. "Do you see anything you like?"

She whirled to face me, a surprised look on her face. But it wasn't long before her expression changed to one of naughty bemusement. "A cock or two," she said matter-of-factly. Then, "Pictures are great, but I'd much rather have the real thing . . ."

No shit, I thought. In my mind's eye I saw her head bobbing frenziedly in the mailman's lap, saw him tense as he exploded in her mouth; the vivid recollection gave

dicks within the last half-hour. She was a hungry gal. Best BJ I ever had, the mailman had told me. She was good, no doubt about it.

Her lips encircling my rod, she pumped her head to and fro, faster and faster. Was she going to let me fuck her, I wondered? I certainly hoped so. If her pussy was anything like her mouth I was in for a real treat.

She came up for a breather, grasped my cock, and jerked me with a deft tugging motion. Had she given the mailman a handjob before sucking his dick? If so, why had she reversed the order with me? I didn't know and didn't care, especially when she released me, shimmied out of her scrub pants and panties, and told me to fuck her – hard.

Cupping Candy's taut ass with both hands, I hefted her as she wrapped her legs around my waist. I pressed her against the wall and plunged my cock inside her. She was tight and wet. I fucked her fast and hard, pounding her pussy with everything I had. This thing had to be a quickie. Miss Bishop could wake up at any moment and need help. I didn't want Candy to get in trouble; she had a pretty sweet gig, a lot better than working at a hectic clinic or hospital.

I came inside her, crushing my mouth to hers to muffle my outcry. I kept her pinned to the wall, my heartbeat decelerating, my cock shrinking inside her.

"That was great," Candy whispered in my ear. "Let's do it again soon."

"You bet," I said, lowering her to the floor so that we could both get dressed.

I left Lollypops #70 on the porch, a parting gift for my new fuck buddy. And I didn't say a word about writing for the magazine. Candy didn't strike me as much of a reader.

She preferred pictures, the dirtier the better.

was it?"

He grinned lewdly. "Best BJ I ever had. But don't take my word for it. I'm sure she'd love to suck your dick. Might even fuck you."

Feeling good about my prospects, I pedaled home as fast as I could. I turned on my street to find Candy standing on Miss Bishop's porch. She was just about to go inside. Emboldened by what the mailman had told me, I opted for the direct approach.

me a massive boner.

"I can help you with that, Candy."

No sooner had the words left my mouth than she unlocked the front door and ushered me inside. She held a finger to her lips. "Quiet," she whispered. "Miss Bishop is taking her afternoon nap."

Candy went down on me in the foyer. Crouching before me, she freed my cock and proceeded to gobble it good and proper. Two

"I've never had a man say no to my advances. When I want to bed a guy, I'll be right up front with him. At the supermarket last month, I saw a nice-looking, well-groomed man getting a coffee from the in-store coffee shop. I pushed my cart over there and told the barista that I'll have what the gentleman is having - being sure he could hear me. I took it over to his table, put it down and asked if I could join him for a minute. He looked at me, smiled and said 'Sure.' Wanna know what happened next?"

Video Call Voyeur

I tried to keep my tone light even as my own body grew warm and tingly. Emma let out a breathless laugh before moaning again.

It was late at night when I decided to call my best friend. Emma picked up on the second ring, her face filling the screen of my phone. She looked disheveled, her long blonde hair tousled and her cheeks flushed a soft pink to match her tank top. I greeted her with a grin, propping the phone up on my knee as I lay back against my couch. "What are you up to tonight?" Emma smiled back at me, but as we talked she kept glancing down away from the camera and biting her lower lip. My brow furrowed slightly.

"Is this a bad time?" I asked. "Because we can call another time if you need to go."

"She's fine," a deep, masculine voice cut in from somewhere off-screen.

"Hush, you!" Emma snapped back at her boyfriend, Quinn. She looked mortified for a split second before dissolving into giggles. I couldn't help but laugh too, putting

the pieces together in my head.

"Oh my god, are you guys...?" I asked, my voice trailing off suggestively. Emma nodded, biting her lip again as she looked down at where Quinn's head was no doubt buried between her thighs.

"Mmhmm," she moaned softly, her eyes fluttering shut.

"Wow...can I see?" My pulse quickened, bracing myself for her to say no and hang up. Emma's eyes widened.

"You want to watch?" My cheeks burned with embarrassment while I nodded. We'd never crossed this sort of line in our friendship, but I couldn't lie and say I wasn't excited. Without an-

other word, Emma turned the camera around and angled it so that I could see Quinn's dark hair peeking out from between her legs. She was already naked below the waist. I couldn't see his face, but I could hear the obscene noises he was making as he ate her out. Emma's moans grew louder, her back arching off the bed as she tangled her free hand in his hair.

"Oh fuck, baby, just like that," she gasped out, grinding her hips against his face. I couldn't help but tease her.

"He seems to know what he's doing." I tried to keep my tone light even as my own body grew warm and tingly. Emma let out a breathless laugh before moaning again.

"He could be working harder." At that, Quinn looked up, his chin slick with her juices.

"I'm just getting started, babe."

"Wanna know how to really please her?" My voice took on a commanding tone, "take her clit between your lips and suck gently, but not too hard. Then

circle it with the tip of your tongue before sucking on it again." I paused for a moment to watch him. "Then, slide a finger inside her and arch it up towards her pubic bone. Feel around for that special spot that makes her scream." Emma's moans grew louder, filling the room and my ears through the phone speaker.

"Oh fuck, oh fuck, right there!" Emma keened, thighs squeezing tight around Quinn's head. I could feel myself growing wet as I listened to my best friend come undone. Subconsciously, I slipped a hand inside my pajama pants. Fingers delving down and eager to touch myself. Emma let out a high-pitched wail, her body convulsing with the force of her orgasm. Quinn's fingers pumped in and out of her, helping her ride out the intense waves of pleasure. "Fuck, I can't believe you just did that," Emma worked to catch her breath.

Quinn moved up her body, his hard cock coming into view and disappearing into her pussy within a second. Her back arched as she was filled and the camera shifted to focus on her face again. I was enraptured watching her body jolt up from the force of his deep, powerful strokes. I rubbed my clit faster, feeling a damp patch growing in my panties.

Quinn pulled down her tank top to expose her breasts to me. I got hypnotized watching her stiff nipples and listening to the slap of skin on skin. Her gaze was unfocused, as if she couldn't process anything other than the pleasure Quinn was giving her.

"God, you look so good," I muttered. "His cock must feel amazing inside you." I wasn't sure Emma could hear me. She scrunched up her face, mouth falling open in a

silent scream of ecstasy as Quinn hammered into her.

Quinn's thrusts grew erratic. He lost his rhythm and I could hear his panting breath behind the camera. The tip of his cock came into frame at the bottom of my screen with his hand rapidly stroking it. Emma prepared herself, sticking out her tongue and looking straight into his eyes. He came so hard that it shot up straight into her hair and across her face. The rest of his cum spread across her tits, but Emma licked her cheek to get a taste of what she could.

I was enraptured watching her body jolt up from the force of his deep, powerful strokes. I rubbed my clit faster, feeling a damp patch growing in my panties.

"Holy shit, that was so hot," Emma giggled. I nodded, my face red and my pussy throbbing with need. "I'm so glad you called tonight. This was a nice surprise."

"Me too," I agreed. "We should totally do this again sometime."

With that, we said our goodbyes and ended the call. It was a night I'll never forget.

"Yes, I was a goth child just a few years ago. Living in SoHo and going to the music college, it was only natural to get into the culture. There was an awful lot of pot smoking and lots of sex. I tried a couple guys and a few girls, and I even tried them together. While I'm a little more selective now, I haven't lost my urge to fuck and get fucked."
